THE IVEY MBA ASSOCIATION

Trips - Leader

Trips - China Teaching Project

- Student-run teaching initiative: a case-based, undergraduate business course at top Chinese schools
 - Learning to teach the case method
 - Developing curriculum and lectures
 - Facilitate case discussions
- Unique opportunity to positively impact future business leaders in China by exposing them to Ivey's case-based teaching methodology and Cross-Enterprise Leadership principles
- Opportunity to represent Ivey internationally and reinforce MBA program learnings
- Chance to strengthen communication and project management skills and improve cross-cultural awareness

Tips and Tricks

- Leave your ego at the door
- Participate both in and out of class
- Your next job won't be your last so don't fret
- Network! Network! Network!
- The year goes by too fast...
- Whatever is your "social" budget... double it
 - Fees and other costs will no doubt arise
